A Tradition of Service

May 01, 2012

The Honorable Board of Supervisors County of Los Angeles 383 Kenneth Hahn Hall of Administration Los Angeles, California 90012

Dear Supervisors:

APPROVAL OF MODEL MASTER AGREEMENT FOR PSYCHIATRIC AND PSYCHOLOGICAL SERVICES FOR THE SHERIFF'S DEPARTMENT'S EMPLOYEE SUPPORT SERVICES BUREAU (ALL DISTRICTS) (3 VOTES)

#### **SUBJECT**

The Los Angeles County Sheriff's Department (Department) requires the services of independent contractors to provide Psychiatric and Psychological Services (Services) for the Department's Employee Support Services Bureau (ESSB) on an as-needed basis.

#### IT IS RECOMMENDED THAT YOUR BOARD:

- 1. Approve the attached Model Master Agreement (Model Agreement) for Services with an initial three-year term from May 8, 2012, through May 7, 2015, plus options to extend for two additional one-year periods, and one additional six-month period, in any increment, for a total agreement term not to exceed five years and six months.
- 2. Delegate authority to the Sheriff to execute Master Agreements (Agreement) substantially similar to the attached Model Agreement with qualified contractors, commencing May 8, 2012, or upon execution by the Sheriff, whichever is later, to meet the needs of the Department, provided sufficient funding is available and Los Angeles County (County) Counsel approval is obtained.
- 3. Delegate authority to the Sheriff to execute applicable documents when the original contracting entity has merged, been purchased, or otherwise changed; modify the Agreement within the conditions specified in the Agreement, including to execute any of the extension options above, if it is in the best interest of the County and funding is available; and to include new or revised standard County contract provisions, including all applicable documents adopted by your Board during the

The Honorable Board of Supervisors 5/1/2012 Page 2

term of the Agreement.

#### PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Board approval will authorize the Sheriff to establish agreements with various qualified contractors to provide the Department with as-needed Services for ESSB.

ESSB requires the services of Board certified psychiatrists to provide as-needed psychiatric evaluation, including medication evaluation, and medication follow-up services to sworn and professional staff employed by the Department, their family members, and significant others.

ESSB also requires the services of licensed psychologists to provide as-needed counseling and psychotherapy services to sworn and professional staff employed by the Department, their family members, and significant others, utilizing solution-oriented psychological interventions. Children will also be seen in the context of family treatment with participation in the treatment plan by the affected Department employee.

#### Implementation of Strategic Plan Goals

The services provided under this Agreement support the County's Strategic Plan, Goal 1, Operational Effectiveness. This Agreement will enable the Department to maintain a pool of psychiatrists and psychologists ready to provide Services on an as-needed basis.

#### FISCAL IMPACT/FINANCING

The annual expenditures for these services are estimated to be approximately \$65,000. The rates of compensation are fixed and firm for the term of the Agreement. Over the term of the Agreement, appropriate allocations will be established in the Department's annual operating budget to meet the anticipated need each fiscal year.

#### FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Currently, there is an active Master Agreement that was approved by your Board on November 8, 2006, which expires on May 7, 2012. The Agreements will commence May 8, 2012, or upon execution by the Sheriff, whichever is later, and shall terminate on May 7, 2015, with two one-year option periods plus a six-month option period for a total term not to exceed five years and six months. Comprehensive psychiatric evaluation sessions are billed at \$255 per session. Psychological counseling sessions are billed at \$100 per session.

This is not a Proposition-A Agreement because the service is highly specialized in nature and will be used on an as-needed basis. Therefore, the Living Wage Program (County Code Chapter 2.2001) does not apply to the recommended Agreement.

All contractors will be required to comply with all Board and Chief Executive Office requirements, including Jury Service, Safely Surrendered Baby Law, and Defaulted Property Tax Reduction Program.

The attached Model Agreement has been approved as to form by County Counsel.

#### **CONTRACTING PROCESS**

On March 8, 2012, the Department issued a Request For Statement of Qualifications (RFSQ) for Services. The Department sent notification of the RFSQ to ten vendors and posted the solicitation on the County and Department's website with an initial closing date of March 29, 2012. The solicitation will remain open until the needs of the Department are met. The Department received eight Statements of Qualifications by the initial deadline of March 29, 2012. As of the date of this Board letter, five have met the minimum mandatory requirements and were determined to be qualified, while three vendors are still under review. Upon your Board's approval, the Sheriff intends to execute Agreements with all qualified contractors.

#### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

There will be no negative impact on current Department operations and services.

#### **CONCLUSION**

Upon approval by your Board, please return two adopted copies of this Board letter to the Department's Contracts Unit.

Sincerely,

LEROY D. BACA

Sheriff

#### 8.1 General

The prices and fees for this Master Agreement shall be the amount payable by County to Contractor for performing all tasks, deliverables, goods, services and

any other Work required under this Master Agreement according to Exhibit C (Rate of Compensation) of this Master Agreement. Contractor shall not be entitled to payment or reimbursement for any tasks, deliverables, goods, services and any other work, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified in this Master Agreement.

### 8.3 <u>No Payment for Services Provided Following Expiration/Termination of Master Agreement</u>

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Master Agreement. Should Contractor receive any such payment it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Master Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Master Agreement.

#### 9. <u>COUNTY'S OBLIGATION FOR FUTURE FISCAL YEARS</u>

Notwithstanding any other provision of this Master Agreement, either expressly or by implication, County shall not be obligated for Contractor's performance hereunder or by any provision of this Master Agreement during any of County's future fiscal years unless and until the Board appropriates funds for this Master Agreement in County's budget for each such future fiscal year. In the event that funds are not appropriated for this Master

Agreement, then this Master Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated and such termination shall be deemed a termination for convenience pursuant to Section 6.0 (Termination for Convenience) of Exhibit A (Additional Terms and Conditions) of this Master Agreement. County shall endeavor to notify Contractor in writing of any such non-appropriation of funds at the earliest possible date.

#### 10. INVOICES AND PAYMENTS

#### 11. LIQUIDATED DAMAGES

- 11.1 If, in the judgment of County Project Director, Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, County Project Director, at such person's option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from Contractor's invoice for Work not performed. - 11.2 If County Project Director determines that there are deficiencies in the performance of this Master Agreement that are correctable over a certain time span, County Project Director will provide a written notice to Contractor to correct the deficiency within specified time frames. Should Contractor fail to correct deficiencies within said time frame, County Project Director may:
  - 11.2.1 Deduct from Contractor's payment, pro rata, those applicable portions of the monthly contract sum; and/or
  - 11.2.2 Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is one hundred dollars (\$100) per day per infraction, and/or upon giving five (5) Business

days notice to Contractor for failure to correct the deficiencies, County may correct any and all deficiencies and the total costs incurred by County for completion of the Work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to Contractor from County, as determined by County.

- 11.3 The action noted in Subparagraph 11.2 shall not be construed as a penalty, but as an adjustment of payment to Contractor to recover County cost due to the failure of Contractor to complete or comply with the provisions of this Master Agreement.
- 11.4 This Paragraph 11 (Liquidated Damages) shall not, in any manner, restrict or limit County's right to damages for any breach of this Master Agreement provided by law, and shall not, in any manner, restrict or limit County's right to terminate the Master Agreement, as agreed to herein.

#### **EXHIBIT A**

#### ADDITIONAL TERMS AND CONDITIONS

The following additional terms and conditions are applicable to, and form a part of, the Master Agreement. Capitalized terms not otherwise defined in this Exhibit A (Additional Terms and Conditions) (this "Exhibit") have the meanings given to such terms in Paragraph 2 (Definitions) of the Master Agreement.

#### 1.0 SUBCONTRACTING

#### 1.1 General

County has relied, in entering into the Master Agreement, on the reputation of and on obtaining the personal performance of Contractor itself. Consequently, no performance of the Master Agreement, or any portion thereof, shall be subcontracted by Contractor except in accordance with the procedures set forth in this Section 1.0 (Subcontracting). Any attempt by Contractor to subcontract any performance, obligation, or responsibility under the Master Agreement, except in accordance with the procedures set forth in this Section 1.0 (Subcontracting), shall be null and void and shall constitute a material breach of the Master Agreement, upon which County may immediately terminate the Master Agreement.

#### 1.2 Procedure for Subcontracting

If Contractor desires to subcontract any portion of its performance, obligations, or responsibilities under the Master Agreement to any subcontractor, Contractor shall adhere to the following procedures.

- 1.2.1 Contractor shall notify County Project Director of its desire to subcontract a portion of the Work, which notice shall include the reason for the proposed subcontract, and a description of the Work to be performed under the proposed subcontract.
- 1.2.2 The identity of such subcontractor and why such subcontractor was selected.
- 1.2.3 A certificate of insurance from the proposed subcontractor which establishes that the subcontractor maintains all the programs of insurance required by the Master Agreement.
- 1.2.4 If the proposed Work is to be performed by a subcontractor, then in addition to the foregoing, Contractor shall provide:

- i. A draft copy of the proposed subcontract. The material provisions of any approved subcontract between Contractor and a third party may be changed or amended, as applicable, only with the prior written approval of County Project Director, which approval shall not be unreasonably withheld; and
- ii. Any other information and/or certifications reasonably requested by County.

County Project Director will review Contractor's request to subcontract and determine, in his discretion, whether or not to consent to such request on an individual basis. Without limiting in any way County's prior approval rights, Contractor shall deliver to County Project Director a fully executed copy of each subcontract entered into by Contractor pursuant to this Sub-section 1.2.4, on or immediately after the effective date of the subcontract but in no event later than the date any Work is performed under the subcontract.

#### 1.3 Contractor Responsibilities

- 1.3.1 Notwithstanding any County consent to any subcontracting, Contractor shall remain responsible for any and all performance required of it under the Master Agreement, including the obligation properly to supervise, coordinate, and perform, all Work required hereunder, and no subcontract shall bind or purport to bind County. Further, County approval of any subcontract shall not be construed to limit in any way Contractor's performance, obligations, or responsibilities, to County.
- 1.3.2 In the event that County consents to any subcontracting, such consent shall be subject to County's right to reject any and all subcontractor personnel providing services under such subcontract.
- 1.3.3 In the event that County consents to any subcontracting, Contractor shall cause the subcontractor, on behalf of itself, its successors and administrators, to assume and be bound by and shall be deemed to have assumed and agreed to be bound by each and all of the provisions of the Master Agreement and any executed Change Order or Amendment hereto as it relates to or affects the Work performed by subcontractor hereunder.
- 1.3.4 Contractor shall be solely liable and responsible for any and all payments and other compensation to all subcontractors and their officers, employees, and agents. County shall have no liability or responsibility whatsoever for any payment or other compensation for any subcontractors or their officers, employees, and agents.

#### 2.0 DISPUTE RESOLUTION PROCEDURE

#### 2.1 General

Contractor and County agree to act immediately to resolve mutually any disputes that may arise with respect to the Master Agreement. All such disputes shall be subject to the provisions of this Section 2.0 (Dispute Resolution Procedure) (such provisions are collectively referred to as the "Dispute Resolution Procedures"). Time is of the essence in the resolution of disputes.

#### 2.2 Continued Work

Contractor and County agree that, the existence and details of a dispute notwithstanding, both parties shall continue without delay their performance hereunder, except for any performance, other than payment by County for approved Work, which the parties mutually determine should be delayed as a result of such dispute.

- 2.2.1 If Contractor fails to continue without delay its performance hereunder that County, in its discretion, determines should not be delayed as a result of such dispute, then any additional costs which may be incurred by Contractor or County as a result of Contractor's failure to continue to so perform shall be borne by Contractor, and Contractor shall make no claim whatsoever against County for such costs. Contractor shall promptly reimburse County for such County costs, as determined by County, or County may deduct or offset all such additional costs from any amounts due to Contractor from County.
- 2.2.2 If County fails to continue without delay to perform its responsibilities under the Master Agreement which County, in its discretion, determines should not be delayed as a result of such dispute, then any additional costs incurred by Contractor or County as a result of County's failure to continue to so perform shall be borne by County, and County shall make no claim whatsoever against Contractor for such costs. County shall promptly reimburse Contractor for all such additional Contractor costs subject to the approval of such costs by County.

#### 2.3 <u>Dispute Resolution Procedures</u>

In the event of any dispute between the parties with respect to the Master Agreement, Contractor and County shall submit the matter as follows:

2.3.1 Contractor and County shall first submit the matter to the respective County Project Manager and Contractor Project Manager for the purpose of endeavoring to resolve such dispute.

- 2.3.2 If the County Project Manager and Contractor Project Manager are unable to resolve the dispute within a reasonable time, not to exceed five (5) Business Days from the date of submission of the dispute, then the matter immediately shall be submitted to the parties' respective County Project Director and Contractor Project Director for further consideration and discussion to attempt to resolve the dispute.
- 2.3.3 If the County Project Director and Contractor Project Director are unable to resolve the dispute within a reasonable time not to exceed five (5) Business Days from the date of submission of the dispute, then the matter shall be immediately submitted to Contractor's president or chief operating officer and the Sheriff. These persons shall have five (5) Business Days to attempt to resolve the dispute.
- 2.3.4 In the event that at these levels, there is not a resolution of the dispute acceptable to both parties, then each party may assert its other rights and remedies provided under the Master Agreement and its rights and remedies as provided by law.

#### 2.4 Documentation of Dispute Resolution Procedures

All disputes utilizing the Dispute Resolution Procedure shall be documented in writing by each party and shall state the specifics of each alleged dispute and all actions taken. The parties shall act in good faith to resolve all disputes. At all three (3) levels described in Sub-section 2.3 (Dispute Resolution Procedure), the efforts to resolve a dispute shall be undertaken by conference between the parties' respective representatives, either orally, by face-to-face meeting or by telephone, or in writing by exchange of correspondence.

#### 2.5 Not Applicable to County's Right to Terminate

Notwithstanding any other provision of the Master Agreement, County's right to terminate the Master Agreement pursuant to Section 4.0 (Termination for Insolvency), Section 5.0 (Termination for Default), Section 6.0 (Termination for Convenience), or Section 7.0 (Termination for Improper Consideration), in each case, of this Exhibit, or any other termination provision under this Master Agreement, shall not be subject to the Dispute Resolution Procedure. The preceding sentence is intended only as a clarification of County's rights, and shall not be deemed to impair any claims that Contractor may have against County or Contractor's rights to assert such claims after any such termination or such injunctive relief has been obtained.

#### 3.0 CONFIDENTIALITY

#### 3.1 General

- 3.1.1 Contractor shall maintain the confidentiality of all records and information, events or circumstances which occur during the course of Contractor's performance under the Master Agreement, in accordance with all applicable Federal, State, and local laws, rules, regulations, ordinances, guidelines, policies and procedures, and directives relating to confidentiality, including, without limitation, County policies concerning information technology security and the protection of confidential records and information.
- 3.1.2 Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting, or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with this Section 3.0 (Confidentiality), as determined by County in its sole judgment. Any legal defense pursuant to indemnification obligations under this Section Contractor's (Confidentiality) shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of County without County's prior written approval.
- 3.1.3 Contractor shall inform all of its directors, officers, shareholders, employees and agents providing services hereunder of the confidentiality provisions of this Master Agreement. Contractor shall provide to County an executed Exhibit F (Contractor Acknowledgement and Confidentiality Agreement). Notwithstanding anything herein to the contrary, Contractor acknowledges and agrees that it is responsible for any breach of the obligations of confidentiality set forth herein by any person, or entity to which Contractor discloses such confidential information.

#### 3.2 <u>Disclosure of Information</u>

3.2.1 With respect to any confidential information obtained by Contractor pursuant to the Master Agreement, Contractor shall: (a) not use any

such records or information for any purpose whatsoever other than carrying out the express terms of the Master Agreement; (b) promptly transmit to County all requests for disclosure of any such records or information; (c) not disclose, except as otherwise specifically permitted by the Master Agreement, any such records or information to any person or organization other than County without County's prior written authorization that the records are, or information is, releasable; and (d) at the expiration or termination of the Master Agreement, return all such records and information to County or maintain such records and information according to the written procedures sent to Contractor by County for this purpose.

3.2.2 Without limiting the generality of Sub-section 3.2.1 of this Exhibit, in the event Contractor receives any court or administrative agency order, service of process, or request by any person or entity (other than Contractor's professionals) for disclosure of any such details, Contractor shall immediately notify County Project Director. Thereafter, Contractor shall comply with such order, process, or request only to the extent required by applicable law. Notwithstanding the preceding sentence, to the extent permitted by law, Contractor shall delay such compliance and cooperate with County to obtain relief from such obligations to disclose until County shall have been given a reasonable opportunity to obtain such relief.

#### 3.3 Contractor Information

Any and all confidential or proprietary information which is developed or was originally acquired by Contractor outside the scope of this Master Agreement, which Contractor desires to use hereunder, and which Contractor considers to be proprietary or confidential, must be specifically identified by Contractor to County Project Director as proprietary or confidential, and shall be plainly and prominently marked by Contractor as "proprietary" or "confidential." County shall undertake reasonably to maintain the confidentiality of materials marked by Contractor as "proprietary" or "confidential." Notwithstanding any other provision of this Master Agreement, County shall not be obligated in any way under this Master Agreement for:

- 3.3.1 Any of Contractor's proprietary and/or confidential materials not plainly and prominently marked with restrictive legends;
- 3.3.2 Any disclosure of any materials which County is required to make under the California Public Records Act or otherwise by law; and

### 3.4 Use of County Name

In recognizing Contractor's need to identify its services and related clients to sustain itself, County shall not inhibit Contractor from publishing its role under the Master Agreement within the following conditions:

- 3.4.1 Contractor shall develop all publicity material in a professional manner.
- 3.4.2 During the Term of this Master Agreement, Contractor shall not publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of County without the prior written consent of County Project Director, which shall not be unreasonably withheld or delayed.
- 3.4.3 Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded the Master Agreement with County, provided that the requirements of this Subsection 3.4 (Use of County Name) (other than the requirements set forth in Sub-section 3.4.2) shall apply.
- 3.4.4 Notwithstanding anything herein to the contrary, County reserves the right to object to any use of County's name and Contractor shall cure promptly and prospectively any use of County's name that has been objected to by County.

### 3.5 Injunctive Relief

Contractor acknowledges that a breach by Contractor of this Section 3.0 (Confidentiality) may result in irreparable injury to County that may not be adequately compensated by monetary damages and that, in addition to County's other rights under the Master Agreement and at law and in equity, County shall have the right to injunctive relief to enforce the provisions of this Section 3.0 (Confidentiality).

### 4.0 TERMINATION FOR INSOLVENCY

- 4.1 County may terminate the Master Agreement immediately at any time following the occurrence of any of the following:
  - 4.1.1 Contractor has ceased to pay or has admitted in writing its inability to pay its debts for at least sixty (60) calendar days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the United States Bankruptcy Code and whether or not Contractor is insolvent within the meaning of the United States Bankruptcy Code, provided that Contractor shall not be deemed insolvent if it has ceased in the normal course of business to pay debts that Contractor disputes in good faith;

- 4.1.2 The filing of a voluntary or involuntary petition (which involuntary petition is not dismissed within sixty (60) calendar days) regarding Contractor under the United States Bankruptcy Code;

- 4.1.4 The execution by Contractor of a general assignment for the benefit of creditors other than in the course of arranging financial lines of credit.
- 4.2 The rights and remedies of County provided in this Section 4.0 (Termination for Insolvency) shall not be exclusive and are in addition to any other rights and remedies provided at law or in equity, or under the Master Agreement.
- 4.3 Contractor agrees that if Contractor as a debtor-in-possession, or if a trustee in bankruptcy, rejects the Master Agreement, County may elect to retain its rights under the Master Agreement, as provided under Section 365(n) of the United States Bankruptcy Code (11 U.S.C. Section 365(n)). Upon written request by County to Contractor or the trustee in bankruptcy, as applicable, Contractor or such trustee shall allow County to exercise all of its rights and benefits under the Master Agreement. The foregoing shall survive the termination or expiration of the Master Agreement for any reason whatsoever.

### 5.0 TERMINATION FOR DEFAULT

- 5.1 County may, by written notice to Contractor, terminate the whole or any part of this Master Agreement, if, in the judgment of County's Project Director:
  - Contractor has materially breached this Master Agreement; or
  - Contractor fails to timely provide and/or satisfactorily perform any service, or other work required either under this Master Agreement; or Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Master Agreement, or of any obligations of this Master Agreement and in either case, fails to demonstrate convincing progress toward a cure within five (5) Business days (or such longer period as County may authorize in writing) after receipt of written notice from County specifying such failure.
- 5.2 In the event that County terminates this Master Agreement in whole or in part as provided in Sub-section 5.1, County may procure, upon such terms and in such manner as County may deem appropriate, goods and services similar to those so terminated. Contractor shall be liable to County for any and all excess costs incurred by County, as determined by County, for such similar goods and services. Contractor shall continue the performance of this Master Agreement to the extent not terminated under the provisions of this Sub-section.

- 5.3 If, after County has given notice of termination under the provisions of this Section 5.0 (Termination for Default), it is determined by County that Contractor was not in default under the provisions of this Section 5.0 (Termination for Default), the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Section 6.0 (Termination for Convenience).
- 5.4 The rights and remedies of County provided in this Section 5.0 (Termination for Default) shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

### 6.0 TERMINATION FOR CONVENIENCE

### 6.1 Termination for Convenience

The Master Agreement may be terminated, in whole or in part from time to time, by County in its sole discretion for any reason. Termination of Work hereunder shall be effected by delivery to Contractor of a notice of termination specifying the extent to which performance of Work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than thirty (30) calendar days after notice.

### 6.2 No Prejudice; Sole Remedy

Nothing in this Section 6.0 (Termination for Convenience) is deemed to prejudice any right of Contractor to make a claim against County in accordance with this Master Agreement and applicable law and County procedures for payment for Work through the effective date of termination. Contractor, however, acknowledges that the rights and remedies set forth in this Sub-section 6.2 (No Prejudice; Sole Remedy) shall be the only remedy available to Contractor in the event of a termination or suspension pursuant to this Section 6.0 (Termination for Convenience) by County.

### 7.0 TERMINATION FOR IMPROPER CONSIDERATION

7.1 County may, upon written notice to Contractor, immediately terminate the right of Contractor to proceed under the Master Agreement if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Master Agreement or securing favorable treatment with respect to the award, amendment or extension of the Master Agreement or the making of any determinations with respect to Contractor's performance pursuant to the Master Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

- 7.2 Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to County manager charged with the supervision of the employee or to County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.
- 7.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

### 8.0 INTENTIONALLY DELETED

#### 9.2 Transition Services

Contractor agrees that in the event of any termination of the Master Agreement, as a result of the breach hereof by either party, or for any other reason, including expiration, Contractor shall fully cooperate with County in the transition by County to a new contractor so that there shall be no interruption of County's day to day operations due to the unavailability of the Work during such transition. Contractor agrees that if County terminates the Master Agreement pursuant to Section 6.0 (Termination for Convenience) of this Exhibit or Sub-section 5.3 of this Exhibit, Contractor shall perform transition services, and shall invoice County for such transition services determined in accordance with the rates specified in Exhibit C (Rate of Compensation) of the Master Agreement, and the agreed upon maximum amount in accordance with a transition plan to be agreed upon, in advance, by County Project Director and Contractor Project Director. In connection with the provision of any transition services pursuant to this Sub-section 9.2 (Transition Services), Contractor shall provide to County Project Director, upon request by County Project Director, documentation that reasonably details the source and amount of the expenses Contractor purports to have incurred in the provision of such transition services.

### 9.3 Remedies Not Exclusive

The rights and remedies of County set forth in this Section 9.0 (Effect of Termination) are not exclusive of any other rights and remedies available to County at law or in equity, or under the Master Agreement.

### 10.0 WARRANTY AGAINST CONTINGENT FEES

- 10.1 Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Master Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.
- 10.2 For breach of this warranty, County shall have the right to terminate the Master Agreement and, in its discretion, deduct from the Master Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

### 13.2 General Provisions for All Insurance Coverage

Without limiting Contractor's indemnification of County, and in the performance of this Master Agreement and until all of its obligations pursuant to this Master Agreement have been met, Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in Subsections 13.2 (General Provisions for All Insurance Coverage) and 13.3 (Insurance Coverage) of this Master Agreement. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor

- Neither County's failure to obtain, nor County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by Contractor, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

Los Angeles County Sheriff's Department 4700 Ramona Boulevard, Room 214 Monterey Park, California 91754 Attention: Contract Compliance Manager

 Contractor also shall promptly report to County any injury or property damage accident or incident, including any injury to a Contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to Contractor. Contractor shall provide County with, or Contractor's insurance policies shall contain a provision that County shall receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice shall be provided to County at least ten (10) calendar days in advance of cancellation for non-payment of premium and thirty (30) calendar days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Master Agreement, in the sole discretion of the County, upon which the County may suspend or terminate this Master Agreement.

#### 13.2.4 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Master Agreement, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Master Agreement. County, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternatively, the County may

purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

### 13.2.5 Insurer Financial Ratings

Coverage shall be placed with insurers acceptable to County with A.M. Best ratings of not less than A:VII unless otherwise approved by County.

### 13.2.7 Waivers of Subrogation

To the fullest extent permitted by law, Contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Master Agreement. Contractor shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

### 13.2.8 Subcontractor Insurance Coverage Requirements

Contractor shall include all subcontractors as insureds under Contractor's own policies, or shall provide County with each subcontractor's separate evidence of insurance coverage. Contractor shall be responsible for verifying each subcontractor complies with the Required Insurance provisions herein, and shall require that each subcontractor name County and Contractor as additional insureds on the subcontractor's General Liability policy. Contractor shall obtain County's prior review and approval of any subcontractor request for modification of the Required Insurance.

### 13.2.9 Deductibles and Self-Insured Retentions (SIRs)

Contractor's policies shall not obligate County to pay any portion of any Contractor deductible or SIR. County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects County, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be

executed by a corporate surety licensed to transact business in the State of California.

### 13.2.10 Claims Made Coverage

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date shall precede the effective date of this Master Agreement. Contractor understands and agrees it shall maintain such coverage for a period of not less than three (3) years following Master Agreement expiration, termination or cancellation.

- 13.3.2 Automobile Liability insurance (providing scope of coverage equivalent to ISO policy form CA 00 01) with limits of not less than \$300,000 for bodily injury and property damage, in combined or equivalent split limits, for each single accident. Insurance shall cover liability arising out of Contractor's use of autos pursuant to this Master Agreement, including owned, leased, hired, and/or non-owned autos, as each may be applicable.
- 13.3.3 Workers Compensation and Employers' Liability insurance or qualified self-insurance satisfying statutory requirements, which includes Employers' Liability coverage with limits of not less than \$1 million per accident. If Contractor will provide leased employees, or, is an employee leasing or temporary staffing firm or a professional employer organization (PEO), coverage also shall include an Alternate Employer Endorsement (providing scope of coverage equivalent to ISO policy form WC 00 03 01 A) naming the County as the Alternate Employer, and the endorsement form shall be modified to provide that County will receive not less than thirty (30) days advance written notice of cancellation of this coverage provision. If applicable to Contractor's operations, coverage also shall be arranged to satisfy the requirements of any federal workers or workmen's compensation law or any federal occupational disease law. There shall be no exclusions for animal-related liability.

If Contractor does not have employees, a written statement will be acceptable acknowledging that Contractor does not have employees and therefore, Worker's Compensation Insurance does not apply.

13.3.4 Malpractice Liability/Errors and Omissions insurance covering Contractor's liability arising from or related to this Agreement, with limits of not less than \$1 million per claim and \$2 million aggregate. Further, Contractor understands and agrees it shall maintain such coverage for a period of not less than three (3) years following this Master Agreement's expiration, termination or cancellation.

#### 14.0 INTELLECTUAL PROPERTY INDEMNIFICATION

14.1 Indemnification Obligation. Contractor shall indemnify, hold harmless and defend County, its Special Districts, elected and appointed officers, employees, and agents from and against any and all claims, demands, damages, liabilities, losses, costs and expenses, including, but not limited to, defense costs and legal, accounting and other expert, consulting or professional fees and attorney's fees, as such are incurred, for or by reason of any actual or alleged infringement of any third party's patent or copyright, or any actual or alleged unauthorized trade secret disclosure or misappropriation, arising from or related to software or other tasks, deliverables, goods, services or other work licensed or acquired hereunder

or the operation and utilization of Contractor's work under this Master Agreement (collectively in this Section 14.0 (Intellectual Property Indemnification) "Infringement Claim(s)"). Any legal defense pursuant to Contractor's indemnification obligations under this Section 14.0 (Intellectual Property Indemnification) shall be conducted by Contractor and performed by counsel selected by Contractor and approved in writing by County (which approval shall not be unreasonably withheld). Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as required by law or this Master Agreement, County shall be entitled to reimbursement for all such costs and expenses.

- Procedures. County shall notify Contractor, in writing, as soon as practicable of 14.2 any claim or action alleging such infringement or unauthorized disclosure. Upon such notice. Contractor shall, at no cost to County, as remedial measures, either: (i) procure the right, by license or otherwise, for County to continue to use the software or other tasks, deliverables, goods, services or other work licensed or acquired hereunder, or part(s) or component(s) thereof, to the same extent of County's license or ownership rights under this Master Agreement; or (ii) to the extent Contractor is unable to procure such right, replace or modify the software or other tasks, deliverables, goods, services or other work licensed or acquired hereunder, or part(s) or component(s) thereof, with another software or product of services, or part(s) or component(s) thereof, of at least equivalent quality and performance capabilities, in County's determination, until it is determined by County that the software or other tasks, deliverables, goods, services or other work licensed or acquired hereunder and all parts and components become noninfringing, non-misappropriating and non-disclosing.
- 14.3 Remedial Acts. If Contractor fails to complete the remedial measures in Subsection 14.2 above within forty-five (45) calendar days of the date of the written notice from County or County has not approved in writing (such approval not to be unreasonably withheld) Contractor's plan of completing such remediation, then, County shall have the right to take such remedial acts as County determines to be reasonable to mitigate any impairment of its use of the Software or damages or other costs or expenses (in this Sub-section 14.3, "County's Remedial Acts"). Contractor shall indemnify County under Sub-section 13.1 (Indemnification) for all amounts paid and all direct and indirect costs associated with County's Remedial Acts. Failure by Contractor to pay such amounts within ten (10) calendar days of invoice by County shall, in addition to, and cumulative to all other remedies, entitle County to immediately withhold payments due to Contractor under this Master Agreement up to the total of the amounts paid in connection with County's Remedial Acts.

#### 15.0 BUDGET REDUCTIONS

In the event that the Board adopts, in any fiscal year, a County budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County contracts, County reserves the right to reduce its payment obligation correspondingly for that fiscal year and any subsequent fiscal year during the term of this Master Agreement (including any extensions), and the services to be provided by Contractor under this Master Agreement shall also be reduced correspondingly. County's notice to Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentences, Contractor shall continue to provide all of the services set forth in this Master Agreement.

### 16.0 FORCE MAJEURE

Except with respect to defaults of any subcontractors, Contractor shall not be liable for any such excess costs, if its failure to perform the Master Agreement arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by Contractor or any of Contractor's subcontractors), freight embargoes, or other similar acts to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both Contractor and subcontractor, and without any fault or negligence of either of them, Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. Contractor agrees to use commercially reasonable best efforts to obtain such goods or services from other sources, and to mitigate the damages and reduce the delay caused by any of the above mentioned force majeure events. As used in this Section 16.0 (Force Majeure), the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

### 17.0 CONTRACTOR RESPONSIBILITY AND DEBARMENT

- 17.1 A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Master Agreement. It is the County's policy to conduct business only with responsible Contractors.
- 17.2 Contractor is hereby notified that, in accordance with Chapter 2.202 of the Los Angeles County Code, if County acquires information concerning the performance of Contractor on this or other contracts which indicates that Contractor is not responsible, County may, in addition to other remedies provided in the Master Agreement, debar Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which will not exceed five (5) years, but may exceed five (5) years

- or be permanent if warranted by the circumstances, and terminate any or all existing contracts Contractor may have with County.
- 17.3 County may debar a Contractor if the Board finds, in its discretion, that Contractor has done any of the following: (a) violated a term of a contract, including this Master Agreement, with County or a nonprofit corporation created by County, (b) committed an act or omission which negatively reflects on Contractor's quality, fitness or capacity to perform a contract with County, any other public entity, or a nonprofit corporation created by County, or engaged in a pattern or practice which negatively reflects on same, (c) committed an act or offense which indicated a lack of business integrity or business honesty, or (d) made or submitted a false claim against County or any other public entity.
- 17.4 If there is evidence that Contractor may be subject to debarment, the Sheriff's Department will notify Contractor in writing of the evidence which is the basis for the proposed debarment and will advise Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- 17.5 The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. Contractor and/or Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether Contractor should be debarred, and, if so, the appropriate length of time of the debarment. Contractor and the Sheriff's Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.

# JURY SERVICE ORDINANCE

#### Title 2 ADMINISTRATION Chapter 2.203.010 through 2.203.090 CONTRACTOR EMPLOYEE JURY SERVICE

Page 1 of 3

#### 2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

#### 2.203.020 Definitions.

The following definitions shall be applicable to this chapter:

- B. "Employee" means any California resident who is a full-time employee of a contractor under the laws of California.
- C. "Contract" means any agreement to provide goods to, or perform services for or on behalf of, the county but does not include:

#### 2.203.070. Exceptions.

- A. Other Laws. This chapter shall not be interpreted or applied to any contractor or to any employee in a manner inconsistent with the laws of the United States or California.

#### How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

# What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

# Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

# Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

#### Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

#### What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

# What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

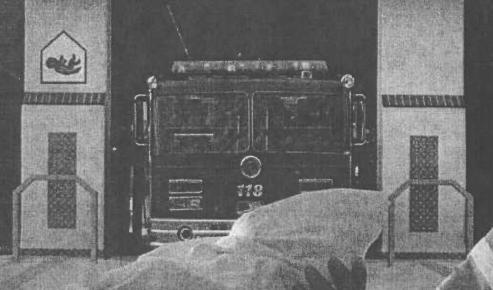

#### Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

# A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

# Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrope de Bebas sin
Poligio de California permite la
entrega confidencial de un recien

otras personas con custodia legal
es decir cualquier persona a culen
los padres le hayan dado permiso.
Siempre que el pape tanga tres

neoligande, puedun antregal a réclen nacido sin temor de ser resulados o procesados

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

#### ¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

# ¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

## ¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

#### ¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

#### ¿Es necesario que el padre/ madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

#### ¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

# ¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

## ¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Ústed probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

## Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

CONTRACTOR'S OBLIGATIONS AS A "BUSINESS ASSOCIATE" UNDER HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996 (HIPAA) AND HEALTH INFORMATION TECHNOLOGY FOR ECONOMIC AND CLINICAL HEALTH ACT (HITECH)

CONTRACTOR'S OBLIGATIONS AS A "BUSINESS ASSOCIATE" UNDER THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996 (HIPAA) AND THE HEALTH INFORMATION TECHNOLOGY FOR ECONOMIC AND CLINICAL HEALTH ACT (HITECH) (BUSINESS ASSOCIATE AGREEMENT)

Under this Agreement, Contractor ("Business Associate") provides services ("Services") to County ("Covered Entity") and Business Associate receives, has access to or creates Protected Health Information in order to provide those Services.

Covered Entity is subject to the Administrative Simplification requirements of the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 ("HIPAA"), and regulations promulgated thereunder, including the Standards for Privacy of Individually Identifiable Health Information ("Privacy Regulations") and the Health Insurance Reform: Security Standards ("the Security Regulations") at 45 Code of Federal Regulations (C.F.R.) Parts 160 and 164 (together, the "Privacy and Security Regulations"). The Privacy and Security Regulations require Covered Entity to enter into a contract with Business Associate ("Business Associate Agreement") in order to mandate certain protections for the privacy and security of Protected Health Information, and those Regulations prohibit the disclosure to or use of Protected Health Information by Business Associate if such a contract is not in place.

Further, pursuant to the Health Information Technology for Economic and Clinical Health Act, Title XIII and Title IV of Division B of Public Law 111-005 ("HITECH Act"), effective February 17, 2010, certain provisions of the HIPAA Privacy and Security Regulations apply to Business Associates in the same manner as they apply to Covered Entity and such provisions must be incorporated into the Business Associate Agreement.

This Business Associate Agreement and the following provisions are intended to protect the privacy and provide for the security of Protected Health Information disclosed to or used by Business Associate in compliance with HIPAA's Privacy and Security Regulations and the HITECH Act, as they now exist or may hereafter be amended.

Therefore, the parties agree as follows:

- "Electronic Protected Health Information" has the same meaning as the term "electronic protected health information" in 45 C.F.R. § 160.103. Electronic Protected Health Information means Protected Health Information that is (i) transmitted by electronic media; (ii) maintained in electronic media.
